Join us to...

All Month LONG!

Follow us on social media.

Programs can be subject to change.

4th of July Science

Boom! Fireworks are one of the best things about the 4th of July. Join us for some safe, hands-on science experiments that are inspired by fireworks. It'll be a BLAST!

Animal Tracks Stamps

Our animal tracks stamp station will be in our Camp Out exhibit all day to learn about the animals of Wisconsin and make your own tracks.

Camp Crafts

There is tons of inspiration for arts and crafts when you're camping. Join us each Tuesday and Thursday for a spotlight camp craft that highlights the things we love about camping.

Clay Play (\$3)

Make a pinch pot, dish or creation of your own out of our air dry clay, tools, and paints to take home. Purchase a project ticket at the front desk and drop in to play with clay!

Discovery Ramps

It's time to ramp it up! Explore STEM concepts such as force and motion with our wooden balls and ramps set. Learn the fundamentals of engineering and problem solving through this hands-on play!

Fireworks Painting

Drop into the Imagination Station for different fireworks inspired art projects. Make a keepsake to take home for the upcoming holiday. It will be explosive fun!

Hands-On Nature with Barkhausen

Join Barkhausen as they visit us at the museum with their hands-on nature station. Learn about the wildlife of Northeastern Wisconsin and visit with real naturalists.

National Summer Learning Day Story Time

It is National Summer Learning Day, a day to remember to continue to read and actively learn throughout the summer months. Join us for a story time with the book "Trombone Shorty" and afterwards make your own sound sandwich to take home.

Night Sky Science

There's nothing better than staring at the night sky while camping. Drop into the Imagination Station and take part in science experiments that spotlight the stars and moon.

Program Descriptions

Open Streets

Join The Children's Museum of Green Bay on the City Deck in Bubble Alley. This activity is brought to you as a part of Open Streets sponsored by Aurora BayCare. For more information visit www.openstreetsgreenbay.com.

Painting & Pizza (pre-registered)

Drop off your little artists for a night of painting... and PIZZA! During this program, your child will create a "Shark Attack" painting on canvas. Parents are welcome to take the class along with their child, but all participants must be registered and pay. Recommended ages 6 and up. **Full Members \$20/ Non-Members & No Frills \$25.** Register on our website: www.gbchildrensmuseum.org

Paper Tube Bird Feeders

Make your own bird feeder with a cardboard tube and real birdseed that you can take home to feed all of your feathered friends!

Paint Your Own Birdhouse (\$3)

Buy a project ticket at our front desk to build an easy, wooden birdhouse that you can then paint and take home for the feathered friends in your yard!

Pint-Sized Picassos

Paint a masterpiece in our Imagination Station! Open painting is available on our art easels.

Play Day Yoga (requires fee)

During this hour-long class led by a trained yoga instructor, you can relax and exercise in peace knowing your children are being supervised with a fun and educational craft, program or activity. Plus, you can stay to play after! **This program does require a fee. Please visit our website to learn more about pricing: www.gbchildrensmuseum.org.**
*Yoga mats not provided.

Recycled Art Studio

Let your imagination run wild by creating and inventing. Use recycled items and our featured art supplies to make a real work of art.

Sun Science

The sun gives us life and energy! It's an important part of our solar system and one of our favorite parts about summertime. Join us for some spotlight science experiments that center on the SUN!

STEM Camps (Pre-register- ages 6-10)

Wizard Science Academy- Join us for a week of magical science experiments that will have your friends and family thinking you are a true science sorcerer! Create your own book of potions and learn the chemistry that goes into them and do some science experiments that seem truly magical. It's a week that will answer the question... is it magic or science? Only you will know!

Space Adventures- Inspired by NASA and Star Wars, this camp is packed full of Lego models and science experiments that will make your imagination blast off! Learn about real-life space concepts and build models related to the NASA space program as well as Lego Star Wars themed models. Join us for Lego construction in a galaxy far, far away!

\$120 per camp (Non-Member/ No-Frills Member)
\$100 per camp (Museum Members)

Art in the Afternoon (Pre-register- ages 5-10)

Nature Art- Nurture the artist within you through the beauty of nature.

Art by the Masters- Create art inspired by famous artists, while learning about their lives and works.

\$75 per camp (Non-Member/ No-Frills Member)
\$60 per camp (Museum Members)

Register on our website: www.gbchildrensmuseum.org

Unbeatable Beaks

What's the best beak? Did you know that the type of beak a bird has relates to the types of food it eats and how it eats too? Get into the mind of a bird and test picking up different types of food with your own "beak." Discover what the right beak is for the job!

Wee One Hour

Join us for thematic stories, songs, craft projects and activities tailored to our "wee ones" **ages 5 and under**. Meet in the Imagination Station for story time, followed by a craft.

Wiggle, Move and Giggle

Dance, sing and move with your toddler. Join this playful program full of games, music and movement activities. Move and groove while learning about colors, shapes and numeracy. It's bound to get you and your toddler wiggling and giggling.
