# Program Descriptions

## Art in Action

Drop into the Imagination Station to take part in a hands-on art experience that will be physically active in some way. Action art incorporates a child's need for activity with important need for creativity. The process is what is most important, but you will have a cool product to take home with you too!

## Curious Scientific Investigators

If you are a curious kid, this is the program for you! Take part in spotlight science experiments that will spark your curiosity. Drop by for investigations in activities such as Invisible Ink, Fingerprinting or something else curious. Never underestimate the power of curiosity!

## "I Spy" Bottles

Do you love "I Spy?" Make your own version inside of a bottle with rice and other objects to take home.

## "I Spy" Sunday

Join us for a day of "I Spy" challenges in the museum. Take part in a visual game in our Imagination Station, take the Super Spy Challenge by spying items around the museum, and solve a mystery by spying hidden clues to crack a case. You'll spy a fun time with this program!

## Master Agent Training

Calling all spy kids! We need you in training at M.A.T.H. (Master Agent Training Headquarters). Join our staff in our Super Spy Academy exhibit to fine tune your problem solving skills through puzzles and codes, scramble your voice, perfect your disguise, and create an alter ego. Do you have what it takes to be a Master Agent?

## Play Day Yoga (requires fee)

Start your day off with a relaxing Yoga class while your children play! During this hour-long class led by a certified yoga instructor, you can relax and exercise in peace knowing your children are being supervised with a fun and educational craft, program or activity. Plus, you can stay to play after! **This program does require a fee. Please visit our website to learn more about pricing: [www.gbchildrensmuseum.org](http://www.gbchildrensmuseum.org). \*Yoga mats not provided.**

## Magic Messages

Drop into the Imagination Station to write magically appearing messages with crayon and watercolor paints. What will your message say?

## Paper Bag STEM Challenge

Design a shelter to protect a UV bead caterpillar from the sun's harmful rays using only the materials given in your bag. What will you create?

## Pint-Sized Picassos

Paint a masterpiece in our Imagination Station! Open painting is available on our art easels.

## Recycled Art Studio

Let your imagination run wild by creating and inventing. Use recycled items and our featured art supplies to make a real work of art.

## Superhero Science

Be a "Science Superhero" during this morning of super-powered science stations that the entire family will be charged up for! Complete all of the stations and receive a superhero prize.

## Wee One Hour

Join us for thematic stories, songs, craft projects and activities tailored to our "wee ones" **ages 5 and under**. Meet in the Imagination Station for story time, followed by a craft.

## Wiggle, Move and Giggle

Dance, sing and move with your toddler. Join this playful program full of games, music and movement activities. Move and groove while learning about colors, shapes and numeracy. It's bound to get you and your toddler wiggling and giggling.

## Worldwide Day of Play sponsored by United Healthcare
