# PROGRAM DESCRIPTIONS

## Art in Action

Drop into the Imagination Station to take part in a hands-on art experience that will be physically active in some way. Action art incorporates a child's need for activity with important need for creativity. The process is what is most important, but you will have a cool product to take home with you too!

## Bubbles, Bubbles Everywhere!

As Willy Wonka says, "Bubbles, bubbles everywhere, but not a drop to drink!" Just like the Chocolate Factory, we will be experimenting with bubbles in the Imagination Station. Drop in to check out spotlight bubble activities and experiments. We don't advise drinking them either.

## Buddy Up Play Date

Everything is better with a buddy! We are hosting a weekly play date in our Imagination Station! Meet and mingle with other caregivers and their children while interacting with our play stations. Then play with your new buddies in the exhibits when they open at 10am.

## Create-a-Color

Being a candy maker involves experimenting with vibrant colors. Join us to experiment with mixing your own colors in our color trays. What new colors will you create?

## Fire Safety

### w/ The Green Bay Metro Fire Department

It's Fire Safety Month! Join The Green Bay Metro Fire Department for a morning about fire safety. Come join us to learn about how you can practice fire safety procedures and receive a fire safety badge! *Check out a real fire truck and meet Green Bay firefighters. (Fire department visit can be subject to change due to emergency.)*

## Halloween BINGO

Join us for our Halloween style Bingo... if you dare! All little ghosts and ghouls can play for prizes.

## Let's Do Chemistry

Join us as we experience chemistry in action with hands-on experiments designed by NISE Net in collaboration with the American Chemical Society. Take part in spotlight chemistry activities as part of National Chemistry Week that will bring positive attitudes and interest to the topic as it relates to real life experiences.

## Mini Mad Science w/ The Bay Port Chem Club

Enter into our Mad Scientist Lab as The Bay Port Chem Club brings some of their creepy cool chemistry experiments for you to explore. It's hands-on fun for the whole family to kick off National Chemistry Week!

## Once Upon a Halloween (pre-registered)

It's our 7<sup>th</sup> annual Halloween party for your entire family! Join us for trick or treat stations, witchy workshops, ghostly games, dance party, and food available to order from Hagemeister Park and MORE!

Tickets can be purchased at [www.gbchildrensmuseum.org](http://www.gbchildrensmuseum.org) or at 920-432-4397 (no refunds)

**Free Full Members/ \$5 No Frills & Non-Members**

## Painting & Pizza (pre-registered)

Drop off your little artists for a night of painting with a break for PIZZA! During this two-hour program, your child will create a Halloween scene on canvas. Parents are welcome to take the class with their children, but all those participating must be registered.

**Full Members- \$20/ No-Frills & Non-Members- \$25**

Register on our website: [www.gbchildrensmuseum.org](http://www.gbchildrensmuseum.org)

## Play Day Yoga (requires fee)

Start Wednesdays off with a relaxing yoga class while your children play! During this hour-long class led by a certified yoga instructor, you can relax and exercise in peace knowing your children are being supervised with a fun and educational activity, program or craft. Plus, you can stay to play after! This program does require a fee. Visit our website for more pricing:

[www.gbchildrensmuseum.org](http://www.gbchildrensmuseum.org) \*Yoga mats not provided. **Full museum members are FREE.**

## Pint-Sized Picassos

Paint a masterpiece in our Imagination Station! Open painting is available on our art easels.

## Recycled Art Studio

Let your imagination run wild by creating and inventing. Use recycled items and our featured art supplies to make a real work of art.

## "Scent"-sory Play

Get your senses prepared! We will have our scented play dough out in the Imagination Station for you to create your own sweet-smelling creations.

## Slime Time

There is nothing cooler and gooier than slime! Drop into the Imagination Station to make your own and mix in extra add-ins to make it even more fun. Learn about the states of matter and take home your own slime just in time for Halloween.

## Spooky Science

Experience science on the SPOOKY side! Spotlight experiments include making blood, experimenting with slime, and investigating eerie dry ice. It's spooky science fun for the whole family!

## Wee One Hour

Join us for thematic stories, songs, craft projects and activities tailored to our "wee ones" **ages 5 and under**. Meet in the Imagination Station for story time, followed by a craft.

## Wiggle, Move and Giggle

Dance, sing and move with your toddler. Join this playful program full of games, music and movement activities. Move and groove while learning about colors, shapes and numeracy. It's bound to get you and your toddler wiggling and giggling.

## Wonka Science

Step into the science of Wonka's Chocolate Factory! You will explore such topics as bubbles, colors and, of course, candy. Your golden ticket to science exploration is ready for the whole family!
