# Program Descriptions

## Block Printing

You've probably built with blocks before, but how about painting with blocks? Drop into the Imagination Station where we will be mixing blocks and paint to make block masterpieces for you to take home.

## Brick Builder

Try your hand at being a master brick builder with Lego® bricks. Get a taste of our Bricks 4 Kidz program by using plans to put together a spotlight stationary model of the day. Make sure you bring your camera to snap a pic of your creation too!

## Bubbles, Bubbles, Everywhere

As Willy Wonka says, "Bubbles, bubbles everywhere, but not a drop to drink!" Just like the Chocolate Factory, we will be experimenting with bubbles in the Imagination Station. Drop in to check out spotlight bubble activities and experiments. We don't advise drinking them either.

## Buddy Up Play Date

Everything is better with a buddy! We are hosting a weekly play date in our Imagination Station! Meet and mingle with other caregivers and their children while interacting with our play stations. Then play with your new buddies in the exhibits when they open at 10am.

## Cardboard Creations

Cut, glue, and create anything your imagination desires with cardboard!

## Chalkboard Blocks

We are integrating building with art with our chalkboard blocks. Build and draw on our blocks to make your own artistic structures.

## Clay Play (\$3)

Make a pinch pot, dish or creation of your own out of our air dry clay, tools and paints to take home. Purchase an art project ticket at the front desk for \$3 and drop in for Clay Play!

## Create-A-Color

Being a candy maker involves experimenting with vibrant colors. Join us to experiment with mixing your own colors in our color trays. What new colors will you create?

## Holiday Extravaganza!

Grab your cameras and your letters for Santa. It is that time of year again and we are starting the holiday season with a BANG! Visit with Santa Claus as he stops at the museum to meet YOU, along with his friend, Bruce the Spruce! In addition, enjoy caroling by cast members of Let Me Be Frank Productions, learn a dance with Fusion Dance Studio, try out some karate moves with Karate America, and meet with the Green Bay Metro Fire Department and Green Bay Police Department.

## Make an Ornament (\$1)

Buy a project ticket and drop into the Imagination Station to make an ornament to take home and adorn your tree.

## Neighborhood Night

Won't you be our neighbor? We are opening our doors with FREE admission for all! Bring your family down to the museum for a night of fun.

## Olaf's Night Before Christmas

Your favorite snowman is here for a special holiday story time and craft! Don't forget your camera and of course, your warm hugs too!

## Play Day Yoga (requires fee)

Start your day off with a relaxing yoga class while your children play! During this hour-long class led by a certified yoga instructor, you can relax and exercise in peace knowing your children are being supervised with fun and educational activities. Plus, you can stay and play in the museum afterwards! Visit our website for pricing.

## Pint-Sized Picassos

Paint a masterpiece in our Imagination Station! Open painting is available on our art easels.

## Recycled Art Studio

Let your imagination run wild by creating and inventing. Use recycled items and our featured art supplies to make a real work of art.

## Santa's BIG Arrival

Santa Claus is coming to town and his first stop is The Children's Museum of Green Bay! Join us to welcome the jolly old man in red, along with his pal, Bruce the Spruce the Talking Christmas Tree!

## "Scent"-sory Play

Get your senses prepared! We will have our scented play dough out in the Imagination Station for you to create your own sweet-smelling creations.

## Sensory Friendly Night

Join us with Innovative Counseling Inc for a night designed specifically for children with different abilities and their families. Enjoy altered lighting, directive signs, and reduced noise. No pre-registration necessary. \$5 per person. Therapists are FREE. Museum Members are FREE.

## Stack Up

We are making building a game with this program. Practice counting, building, and balancing to find out how high your tower can go!

## Turkey Time

Gobble! Gobble! Stop in our Imagination Station to make a turkey centerpiece that you can add to your Thanksgiving tablescape.

## Wee One Hour

Join us for thematic stories, songs, craft projects and activities tailored to our "wee ones" **ages 5 and under** during this ½ hour class. Meet in the Imagination Station for story time, followed by a craft.

## Wiggle, Move and Giggle

Dance, sing and move with your toddler. Join this playful program full of games, music and movement activities. Move and groove while learning about colors, shapes and numeracy. It's bound to get you and your toddler wiggling and giggling.
