Drop in for basic scientific principles taught through activities and experiments. Join us for a spotlight topic that is explored and taught in a fun and hands-on way to keep young minds interested and little hands busy.

Bunny Bop

Join us for a bright and "bunny" morning in the Imagination Station! Bunny crafts and music will put you in the mood for the upcoming holiday.

Clay Play (\$3)

Make a pinch pot, dish or creation of your own out of our air dry clay, tools and paints to take home. Purchase a project ticket at the front desk and drop in for clay play!

"Egg"cellent Art

Drop into the Imagination Station to create art inspired by eggs. It is definitely going to be "egg"cellent!

In collaboration with NASA and the NISE Network, engage in STEM activities focusing on Earth and space. Learn about the moon, planets, space equipment, and more through hands-on activities that are out of this world!

Healthy Hop

It's a morning of nutrition and fun! Hop through our stations as you learn about healthy choices through hands-on activities. Our veggie loving bunny will be there from 10:30-11am too, so don't forget your camera!

In the Zone

Inspire little learners and future innovators with a morning of "full S.T.E.A.M. ahead" activity zones!

Peep Printing

We are ditching the paintbrushes and painting with marshmallow Peeps instead! Join us for this unusual, but festive art experience in our Imagination Station.

Painting & Pizza (pre-registered)

Recycled Art Studio

Let your imagination run wild by creating and inventing. Use recycled items and our featured art supplies to make a real work of art.

Sensory Friendly Night

Join us for a night at the museum designed especially for children with different abilities and their families. Enjoy altered lighting, reduced noise, resources, directive signs, and sensory activities. FREE admission for families and therapists thanks to Prevea/HSHS St. Vincent Children's Hospital.

Wee One Hour

Join us for thematic stories, songs, craft projects and activities tailored to our "wee ones" **ages 5 and under**. Meet in the Imagination Station for story time, followed by a craft.

Wiggle, Move and Giggle

Dance, sing and move with your toddler. Join this playful program full of games, music and movement activities. Move and groove while learning about colors, shapes and numeracy. It's bound to get you and your toddler wiggling and giggling.
