Join us this month for WILD programming all about animals!

## Animal Art

It's an hour of animal themed art! Visit the Imagination Station for spotlight projects that feature some of your favorite animals.

**Aug 1: Fork Printed Lion**

**Aug 8: Sloth on a String**

**Aug 15: Pipe Cleaner Snakes**

**Aug 29: Zebra Shaving Cream Marbling**

## Animal Encounters with Barkhausen

Our friends from Barkhausen are coming for a visit and they are bringing some of their critters for us to see and touch. Learn about animals that live in our state and see them up close and personal.

## Animal BINGO for Prizes

Who doesn't love BINGO? Come for a game of animal themed BINGO and you might even win a prize!

## Budding Scientists

Drop in for basic scientific principles taught through activities and experiments. Join us for a spotlight topic that is explored and taught in a fun and hands-on way to keep young minds interested and little hands busy.

## Discovery Ramps

It's time to ramp it up! Explore STEM concepts such as force and motion with our wooden balls and ramps set. Learn the fundamentals of engineering and problem solving through this hands-on play!

## Eric Carle Animal Art

Join us for creating art in the style of Eric Carle with cut painted paper. Make your own "Eric Carle" animal to take home.

## Handcraft a Habitat

Animals live in different types of landscapes and habitats. Drop into the Imagination Station to receive an animal and then use our art materials to make an appropriate habitat for it to take home.

## Lego Animals

Stop into the Imagination Station and try to put together a Lego animal model with directions. Don't forget to bring your camera to snap a picture before you have to take it apart!

## Live Reptiles with the Fox Valley Herp Club

The Fox Valley Herp Club will be here with their reptiles for you to get up close and personal with. Touch, hold, and learn about snakes and other reptiles. There will be plenty of photo opportunities too, so don't forget to bring your camera too!

# Program Descriptions

## Make an Animal Mask

Make a mask to transform yourself into your favorite animal using paper and our art supplies. It's about to be a jungle in here!

## Oh Snap! Parent & Child Photography Class

This two-hour workshop taught by RP Photography, introduces you and a child to the digital camera together. A digital camera is required. Every child needs an adult and every adult needs a child. Class recommended for children 6 years and older. Pre-registration is required ([www.gbchildrensmuseum.org](http://www.gbchildrensmuseum.org)) and no refunds will be issued.

## Painting & Pizza

Drop off your little artists for an afternoon of painting with a break for PIZZA! During this two-hour program your child will create Ferris Wheel silhouette on canvas and receive tickets to ride the new ferris wheel at Bay Beach. Parents are welcome to take the class with their children, but all of those participating must be registered and paid.

**Members- \$20/ No-Frills & Non-Members \$25**

**Register on our website: [www.gbchildrensmuseum.org](http://www.gbchildrensmuseum.org)**

## Pint-Sized Picassos

Paint a masterpiece in our Imagination Station! Open painting is available on our art easels.

## Recycled Art Studio

Let your imagination run wild by creating and inventing. Use recycled items and our featured art supplies to make a real work of art.

## Sensory Friendly Night

Join us for a night at the museum designed especially for children with different abilities and their families. Enjoy altered lighting, reduced noise, resources, directive signs, and sensory activities. FREE admission for families and therapists thanks to Prevea/HS/HS St. Vincent Children's Hospital.

## Safari Scavenger Hunt

Make some binoculars, grab a hunt sheet, and go for a safari in our Outdoor Discovery Center. Hunt for tiny animals in our yard using clues and other fun activities.

\*This activity is WEATHER PENDING.

## Unbeatable Beaks

Beaks come in all shapes and sizes, but did you know that beaks have different jobs too? You will yearn to learn about birds.

## Wheel Rock You!

Join us for a spotlight vehicle rolling into our parking lot for you to check out, touch, sit in the driver's seat, pose for photos and ask questions. Personnel will teach children about the vehicles and equipment from our local community.

**August 1: D & D Landscaping Tractor**

**August 8: CTS Semi Truck Cab**

**August 15: Heavy Duty Towing**

**August 22: Lamers School Bus**

**August 29: TBD**

## Wee One Hour

Join us for thematic stories, songs, craft projects and activities tailored to our "wee ones" **ages 5 and under**. Meet in the Imagination Station for story time, followed by a craft.

## Wiggle, Move and Giggle

Dance, sing and move with your toddler. Join this playful program full of games, music and movement activities. Move and groove while learning about colors, shapes and numeracy. It's bound to get you and your toddler wiggling and giggling.

## Summer STEM Adventures

(Registration required- ages 6-10)

### Superhero STEM (August 19-23)-

Get inspired by your favorite superheroes for this camp that has super-powered challenges and experiments. Learn about flight, invisibility, super strength, magnetism and more as we learn the science behind super powers and also build super cool models with Lego bricks. Be a STEM Superhero with us this week and learn all of the secrets behind the powers.

**\$120 per camp (Non-Member/ No-Frills Member)**

**\$100 per camp (Museum Members)**
