Join us for
COLORFUL
programming all month
long!

Follow us on Facebook and Instagram

Programs can be subject to change.

Budding Scientists

Drop in for basic scientific principles taught through activities and experiments. Join us for a spotlight topic that is explored and taught in a fun and hands-on way to keep young minds interested and little hands busy.

Clay Play (\$3)

Make a pinch pot, dish or creation of your own out of our air dry clay, tools and paints to take home. Purchase a project ticket at the front desk and drop in for clay play!

Color Mixing

Experiment with mixing your own colors in color trays. There are endless shades of colors in the rainbow. What new colors will you create?

Colorful Science Saturday

Did you know that there is science in colors? Join us for colorful science stations and learn about chromatography, color mixing, and more! It's science fun for the entire family.

Discovery Ramps

It's time to ramp it up! Explore STEM concepts such as force and motion with our wooden balls and ramps. Learn the fundamentals of engineering and problem solving through hands-on play.

Dr. Seuss Silly Birthday Celebration

You're invited to join us for a Seuss-inspired fantastic fun night! You'll get messy with ooey-goey oobleck while learning fun science facts. You can explore the museum, create fun Seuss inspired projects, test your skills at egg racing, enjoy a piece of birthday cake and much more. Come one, come all, come on in, we will have a ball. Dress silly and receive \$5 admission.

EAT

Join us for our quarterly FREE evening at The Children's Museum of Green Bay! Interact with the Green Bay Police Department, do a nutrition scavenger hunt for prizes, and enjoy a FREE spaghetti dinner made possible from Woodman's Market. Plus, play in our exhibits! This event is FREE for families, but building capacity limits may apply. Dinner is available on a first come, first served basis.

This event is made possible by a grant from the Crime Prevention Foundation of Brown County and in partnership with United Healthcare.

Leprechaun Lab

The leprechauns are up to their antics again! Join us for some magical science experiments inspired by the world's tiniest scientists. Who knows? You might just spot a leprechaun while you're here!

Program Descriptions

Magic Noodles

Drop into the Imagination Station to create with this unique building material. Make 3D, colorful structures to take home.

Neighborhood Day

Mister Rogers Neighborhood has The Children's Museum of Green Bay feeling a little nostalgic, and we've decided to embrace it. After all, Mister Rogers would never frown upon anyone feeling their feelings. Help us celebrate the life and legacy of Fred Rogers in honor of his birthday, March 20th. Don your favorite cardigan, tie up your comfiest sneakers, and learn about the man who promoted kindness and compassion with your neighbors.

Paint Your Own Face

It's time to make your face a colorful work of art! In this program, YOU are the make up artist! Paint your own face with our face paints and mirrors. What will you be? The possibilities are endless.

Painting & Pizza (pre-registered)

Drop off your little artists for an evening of painting with a break for PIZZA. During this 2-hour program, your child will create a painting on canvas. Parents are welcome to take the class along with children, but all participants must pay full price and be registered. Recommended for ages 6 and up.

Full Members \$20/ No Frills-Non Members \$25

Register at www.gbchildrensmuseum.org to reserve your spot. Space is limited. Museum play not included. No refunds.

Pint-Sized Picassos

Paint a masterpiece in our Imagination Station! Open painting is available on our art easels.

Recycled Art Studio

Let your imagination run wild by creating and inventing. Use recycled items and our featured art supplies to make a real work of art.

Sensory Friendly Night

Join us for a night designed for children with varied abilities and their families. Enjoy altered lighting, directive signs, and reduced noise. No registration required. Families and therapists are FREE thanks to funding from Prevea/ HSHS St. Vincent Children's Hospital.

Sense-sational Art

Explore weekly art projects that include a sensory element. It will be "sense"-sational! Located in our Imagination Station.

St. Patrick's Day Art

Rainbows, green clovers, and pots of gold... that's what we love about St. Patrick's Day. You are in LUCK because we have art that will reflect this special holiday for you to take home.

Somewhere Over the Rainbow

Who doesn't love RAINBOWS? Join us to discover the magic of rainbows by dropping in for spotlight activities focusing on colors and light refraction. It will be a morning full of fascination and science!

Wee One Hour

Join us for thematic stories, songs, craft projects and activities tailored to our "wee ones" **ages 5 and under**. Meet in the Imagination Station for story time, followed by a craft.

Wiggle, Move and Giggle

Dance, sing and move with your toddler. Join this playful program full of games, music and movement activities. Move and groove while learning about colors, shapes and numeracy. It's bound to get you and your toddler wiggling and giggling.

Spring Break Mini Camps

ARTASTIC Spring Break Mini Camp

Calling all budding artists... this is the afternoon for you! Join us as we create masterpieces using paint and multimedia. Your creative juices will be flowing as you make 3 pieces of artwork to take home. It will be ARTASTIC!

**\$25 Non-Members & No Frills Members/
\$20 Members.**

Register on our website: www.gbchildrensmuseum.org

Lego Mega Spring Break Mini Camp

We are planning some MEGA fun using Lego® bricks! You will construct using directions and try fun challenges that use your own creativity as well. Test Lego® constructions that actually move too! This is just right for the Lego® enthusiast in your family.

**\$25 Non-Members & No Frills Members/
\$20 Members.**
