PROGRAM DESCRIPTIONS

Pop-Up Play

Pop-Up! Pop-Down! Join in the excitement of our random acts of play happening intermittently throughout the museum! Can you find the fun?!

Storytime

Join us for storytime and a craft in our Imagination Science Station. Included with museum admission and no pre-registration required.

Wiggle, Move & Giggle

Dance, sing, and move with your toddler! Join this playful program full of games, music, and movement activities. Move and groove while learning about colors, shapes, and numeracy. Included with museum admission and no pre-registration required.

Pint-Sized Picassos

Paint a masterpiece in our Imagination Science Station! Open painting is available on our art easels.

STEAM Saturday

Explore STEAM (science, technology, engineering, art, & math) concepts through hands-on activities centered around this month's theme. Stop in any time from 10am-12pm to create with us!

Recycled Art Studio

Let your imagination run wild by creating and inventing using our supplies. Cut, glue and build using the materials provided in our Imagination Science Station.

Express Yourself!

Explore weekly art projects that will encourage children to express themselves. They will use their creative minds to find their own style with the use of various art mediums. Located in our Imagination Science Station.

Outdoor Discovery

This program invites even our smallest visitors to explore simple STEAM concepts through exciting hands-on activities. *Located in our Outdoor Discovery Center, weather permitting.

Busy Builders

Engineer, Build, Explore!
Use our unique building materials and your imagination to construct a creation all your own!

Spotlight Artists

Drop into the Imagination Science Station to learn about that week's featured artist. Explore the artist's mediums, styles, inspiration and more, while creating this fun table project.

Amazing Air Week

Puff, whoosh, whizz! It's all about air and movement! Play and learn during these fun flight programs: Rocket Building & Launching w/Hobby Town Green Bay; Superhero Saturday; Bubbles, Balloons, & Butterflies; Dragons & Unicorns

Growing Up Week

Stop and smell the roses. Learn about seeds, weeds, fruits, veggies and the joys of digging in the dirt. Can you dig it? Flower Power Friday, Saturday Sprouts, Express Yourself Button Making, Wildflower Wednesday Paper Making, Isabela's Flower Studio

Hatched Week

Come visit for an "eggs"-perience like never before! Explore, discover, and engage with all creatures that hatched from an egg, living and "eggs"-tinct. The BIG Dig Dinosaur Day, Eggs-traordinary Egg Hunt

Paper Bag STEM Challenge

Design a shelter to protect a UV bead caterpillar from the sun's harmful rays using only the materials given in your bag. What will you create?

Sense-sational Art

Explore weekly art projects that include a sensory element bound to spark your little's curious mind. It will be "sense"-sational. Located in our Imagination Science Station.

Painting & Pizza Workshop (Pre-Registration Required)

Drop off your little artists for an afternoon of painting with a break for PIZZA. During this 2-hour program, your child will create a unique painting on canvas. Parents are welcome to take the class along with children, but all participants must pay full price and be registered. Recommended for ages 6-12. **Full Members \$20/ No Frills-Non Members \$25** Register at www.gbchildrensmuseum.org to reserve your spot. Space is limited. Museum play not included. No refunds.

Water Works

Bring a towel! The sprinklers are on in our Outdoor Discovery Center! *program is weather permitting

Sensory Friendly Night

Join us for a night at the museum designed especially for children with different abilities and their families. Enjoy altered lighting, reduced noise, resources, directive signs, and sensory activities. FREE admission for families and therapists thanks to Preveca/HSHS St. Vincent Children's Hospital.
