Program Descriptions

Busy Builders

Engineer, Build and Explore! Use our unique building materials and your imagination to construct a creation all your own!

Indoor Snowball Fight

Have an indoor "snowball" fight! All you need is a group of players, you have a few different options for snowball fight teams. Every man for himself in an elimination-style game, Brothers against Sisters, Parents vs. kid. Elected teams with team captains. You can also set up the buckets and see who gets the most snowballs in.

Storytime

Join us for storytime and a craft in our Imagination Science Station. Included with museum admission an no pre-registration required

Sense-sational Art

Explore weekly art projects that include a sensory element bound to spark you little's curious mind. It will be "sense"-sational! Located in our Imagination Science Station.

Pint-sized Picassos

Paint a masterpiece in our Imagination and Science Station! Open painting is available at our art easels

Wiggle, Move & Giggle

Dance, sing, and move with your toddler! Join this playful program full of games, music, and movement activities. Move and groove while learning about colors, shapes, and numeracy. Included with museum admission and no pre-registration required.

Winter Workshop

Enter our Imagination Station as it's transformed into a Winter Workshop Wonderland. Join us for fun winter themed crafts all month long.

Recycled Art Studio

Let your imagination run wild by creating and inventing using your own Recycled Toolkit. Cut, glue and build using the materials provided in our Imagination Station.

STEAM Saturday

Explore STEAM (science, technology, engineering, art and math) concepts through hand-on activities centered around this month's theme. Stop in and create with us!

Pop-Up Play

Pop-up! Pop-Down! Join in the excitement of our random acts of play happening intermittently throughout the museum! Can you find the fun?!

Kindness Rocks

Come listen as author Stephani Curran reads her book *Rock On, Kindness!* and then paint a kindness rock with the Green Bay Kindness Rocks Project. There's no telling where these rocks may end up, but the message is always the same, urging people to spread kindness throughout your community.

Snow Much Fun STEAM lab

This program invites museum visitors to explore the wintery topics of Science, Technology, Engineering, Art, and Math through fun hands-on activities that are sure to intrigue even the smallest of visitors. We are bound to have SNOW MUCH FUN!

Storytime with the Weidner Center

Come and Join our friends from the Weidner Center as they read us the wonderful story called *It's OK to Be Different*. This story cleverly delivers the important messages of acceptance, understanding, and self-confidence. *It's Okay to Be Different* encourages early literacy, enhances emotional development, and promotes character growth.
