Go Wild

Join The Children's Museum of Green Bay for WILD programming all about animals! Play and learn with us all month long and beyond!

Stay up-to-date on the latest museum info by following us on Facebook and Instagram.

Program Descriptions

Busy Builders

Engineer, Build and Explore! Use our unique building materials and your imagination to construct a creation all your own!

Animal Art

It's an hour of animal themed art! Visit the Imagination Science Station for spotlight projects that feature some of your favorite animals.

Storytime

Join us for storytime, an activity, and a craft in our Imagination Science Station. Included with museum admission and no pre-registration required. March's storytime theme is "Block Party"

Sense-sational Art

Explore weekly art projects that include a sensory element bound to spark you little's curious mind. It will be "sense"-sational! Located in our Imagination Science Station.

Pint-sized Picassos

Paint a masterpiece in our Imagination Science Station! Open painting is available at our art easels every week Wednesday through Friday!

Wiggle, Move & Giggle

Dance, sing, and move with your toddler! Join this playful program full of games, music, and movement activities. Move and groove while learning about colors, shapes, and numeracy. Included with museum admission and no pre-registration required.

Recycled Art Studio

Let your imagination run wild by creating and inventing using your own Recycled Toolkit. Cut, glue and build using the materials provided in our Imagination Science Station.

STEAM Saturday

Explore STEAM (science, technology, engineering, art and math) concepts through hand-on activities centered around this month's theme. Stop in and create with us!

Pop-Up Play

Pop-up! Pop-Down! Join in the excitement of our random acts of play happening intermittently throughout the museum! Can you find the fun?!

Sensory Friendly Night

Join us for a night at the museum designed especially for children with different abilities and their families. Enjoy altered lighting, reduced noise, resources, directive signs, and sensory activities. FREE admission for families and therapists thanks to Prevea/HSHS St. Vincent Children's Hospital.

Action Art

Drop into the Imagination Science Station to take part in a hands-on art experience that requires physical action in some way. Action art incorporates a child's need for activity with important need for creativity. The process is most important, but you will have a cool product to take home too!

STEAMworks: 101 Mini Camp

Come learn about the world of STEAM (science, technology, engineering, art, mathematics)! Through hands-on activities, we'll be exploring robotics, circuits, virtual reality, and 3-D printing in this introductory mini camp.

Recommended for ages 7-10.
